Cool and refreshing, our ice tea is freshly brewed using hand picked full leaf teas and served over ice in tea glasses. **\$2.95 per glass.**

*Dragon Pearl Jasmine*

A delightful high-end Jasmine. Beautiful, little, hand-rolled pearls of green and white. The smell and taste are sublime. The floral notes are perfectly balanced as the leaves unfold and come back to life in your teapot.

*Rose Tea*

This beautiful blend of large leaf Ceylon and Keemun is scented with rose oil and rosebuds. The scent alone makes a pot of this tea memorable. The addition of pink rosebuds lends a romantic touch to this fine tea.

*White Tea - Ceylon Vintage Silver Tips*

This is a rare tea plucked and made just for Harney and Sons. These are the terminal buds of the tea bushes grown high in Ceylon. They are handled carefully so the bud remains whole and will become silvery. Since there is no leaf, there is no traditional tea flavor. The liquid is pale pink, and the taste is sublime and slightly sweet.

*Egyptian Chamomile, Peppermint, Rocibos, Peach Fruit Tea, Raspberry,  
Mango Fruit Tea, Strawberry - Kiwi, Orange Passion*

Herbal tea, tisane, caffeine-free infusions ... whatever your term for these fine and relaxing brews, we think you'll agree they are all a pleasure to savour. Herbal tea has a long tradition in Western Culture. Herbal teas are made from bark, flowers and seeds. The source areas for these infusions are from the best areas: Oregon, Egypt and France.
